

Biometrics Institute AUSTRALIA Conference Poster Exhibition

7-8 June 2007, Amora Jamison Hotel, Sydney

Call for Posters

The Biometrics Institute is proud to present the 9th Biometrics Institute Conference to be held on the 7-8 June 2007 in Sydney. Present your latest research at the Biometrics Institute 2005 Poster Exhibition.

Submission deadline for contributions: **1 May 2007**

This event is a unique opportunity for you and your research organization/university to present your most recent scientific advances in biometric research and development to representatives from government, industry and the biometric user sector.

Contributions are now invited for presentations as a *poster* to be displayed within the Biometrics Institute Conference Exhibition **PLUS** a *10 -15 mins presentation* within the conference. The exhibition of posters is limited to 8 (eight) exhibitors.

The target audience for this event includes senior executives from the public and private sector such as:

- CEO's
- CIO's
- System integrators
- Policy developers
- Security managers
- Media representatives
- Researchers
- Product managers.

We expect representatives from areas such as

- Security
- Banking and finance
- Healthcare
- Telecommunications
- Law
- Government
- Retail.

We anticipate over 100 attendees.

Call for Posters

Short abstracts – limited to one page – about your research including your contact details should be submitted to Isabelle Moeller at manager@biometricsinstitute.org or fax +61 2 9431 8677 by 1 May 2007. The abstract can be supported by up to 5 PowerPoint slides.

Submitted abstracts will be reviewed by the Technical Committee of the Biometrics Institute on the basis of relevance and technical merit. If accepted you will be asked to prepare a poster to be displayed at this event and will be invited to give a 10 – 15 mins presentation on your poster content. Preference may be given to those organisations that are able to attend to their posters at the event.

Poster authors do not have to register for the Biometrics Institute Conference June 2006 to present a poster unless they wish to attend the conference sessions. Academic and student registration rates are available for those wishing to attend the conference.

The Biometrics Institute Conference June 2006 is organised by the Biometrics Institute, an independent not-for-profit membership organisation, founded in July 2001.

The mission of the Biometrics Institute is to be a forum for biometric users and other interested parties and to facilitate the wider use of biometrics.

Our primary members are government and business users of biometric services and products, with other membership categories for vendors. Our initial members are from Australia, however we hope to welcome members from wider Asia Pacific region.

Please send your submissions no later than 1 May 2007 to:
