Connect

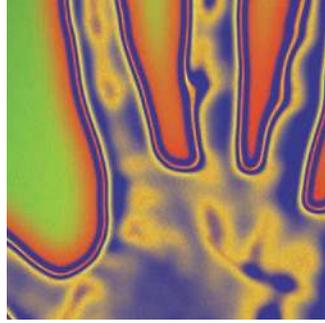

Inform

Represent

In an industry with ongoing technology developments and new applications, our role is pivotal in providing organisations with the right information and with an excellent network of people to foster the successful growth of the biometrics industry globally. The Biometrics Institute is at the forefront in working with government, industry, academia, advocates and regulators to promote the responsible use of biometrics – come and join us on this journey.

Membership to the Biometrics Institute

Member privileges include...

Stay connected

- > Expand your international network of contacts
- > Connect with the whole industry: users, suppliers and academics
- > Share information with the industry about best-practice and innovation
- > Network at a broad range of high-quality events
- > Develop and strengthen partnerships

Stay informed

- > Biometrics Institute best-practice Privacy Guidelines
- > Biometrics Institute Top 10 Vulnerability Questions
- > Expert briefings and events
- > Education and training
- > Annual Industry Survey
- > Online Resources
- > E-newsletter
- > Supplier Directory
- > Blog with industry updates and insights
- > Expert and Sector groups

Be represented by the Institute

- > We are independent, impartial and international
- > Professional and high-quality secretariat
- > We provide the independent collective voice that is shaping the industry
- > Align your organisation to a strong brand with more than 15 years of industry experience

Lead the debate with us

- > Promote priority themes and key messages
- > Provide a platform for dialogue to shape the debate on the responsible use of biometrics

"We get a lot out of our membership with the Biometrics Institute, as do most government agencies with a biometric capability."

Paul Cross, Department of Immigration and Border Protection (Australia)

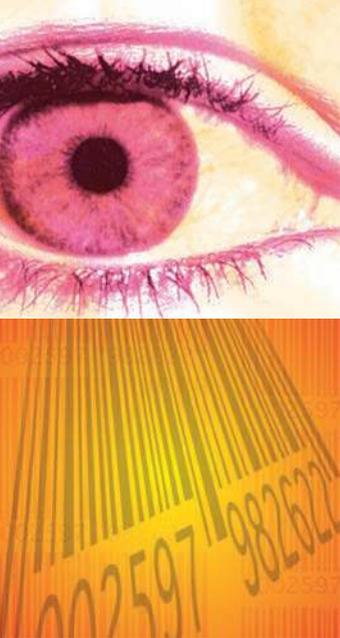

Membership

What is it and how much is it?

Membership allows you to align your organisation to our mission and access member privileges. We have annual membership rates for users, suppliers and academia. We have memberships suitable for one active participant through to 50 active participants.

For further information on membership, please visit us at www.biometricsinstitute.org

Lead

THE MISSION of the Biometrics Institute is to promote the responsible use of biometrics as an independent and impartial international forum for biometric users and other interested parties.
